

Northeastern Area Drug Testing Collection Sites

Below is a listing of ALL APPROVED drug testing collection sites. You may submit a sample at any of these collection sites. It is **your responsibility** to identify which site(s) will work best for you on any given day PRIOR to submitting a sample. Please note that sites will vary in costs, business hours and policies. There are NO next day services or make-up tests. If "you are required to test today," you must report to one of the below sites that day! When reporting, identify that you are on **Weld County Pretrial Services** supervision and the Sentry system. If you run into any problems, call your Pretrial Services Specialist directly at (970) 336-7227 (listen for their extension).
