GENERAL INFORMATION

The Assessor's Office has nothing to do with the making of the several levies but has jurisdiction relative to the valuation of real and personal property of the county, except railroads, telegraph companies and other public utility corporations. The taxes are extended by the computer center at the Greeley National Bank and delivered to the County Treasurer for collection.

County Tax is levied by County Commissioners.

School Tax is levied by School Boards.

City and Town tax is levied by City and Town officials.

Special District tax is levied by their Directors.

Personal property tax becomes delinquent May 1, 1972 and if not paid by August 1, will be advertised in September. Real property will be advertised for sale for delinquent taxes on or about October 1, 1972 and sold December 4, 1972.

Taxes for 1971 are due January 1, 1972. Taxes may be paid in two equal payments. To avoid penalties the first half must be paid prior to March 1, and the second half prior to August 1. Monfort Feedlot at Gilcrest is centered in the rich farmland of the Platte Valley of Weld County. It is one of the world's largest feedlots with a capacity in excess of 100,000 head of cattle. Approximately 250,000 steers are fed in this lot per year. These cattle are trucked to Monfort Packing Company in Greeley for slaughter. The high quality beef is distributed from the packing plant to customes throughout the world.

GENERAL INFORMATION

The Assessor's Office has nothing to do with the making of the several levies but has jurisdiction relative to the valuation of real and personal property of the county, except railroads, telegraph companies and other public utility corporations. The taxes are extended by the computer center at the Greeley National Bank and delivered to the County Treasurer for collection.

County Tax is levied by County Commissioners.
School Tax is levied by School Boards.
City and Town Tax is levied by City and Town Officials.
Special District Tax is levied by their Directors.

Personal property tax becomes delinquent May 1, 1973 and if not paid by August 1, will be advertised in September. Real property will be advertised for sale for deliquent taxes on or about October 1, 1973 and sold December 3, 1973.

Taxes for 1972 are due January 1, 1973. Taxes may be paid in two equal payments. To avoid penalties the first half must be paid prior to March 1, and the second half prior to August 1. From March 1 to August 1 the first half bears interest at the rate of ½ per cent per month or fraction thereof. The total amount of taxes due may be paid on or before April 30 without penalty or interest.

All unpaid real property taxes become delinquent August 1, and bears interest at the rate of 2/3 per cent per month or fraction thereof until date of tax sale.

In correspondence with either this office or the Treasurer's office please refer to your SCHEDULE NUMBER AND TAX DISTRICT NUMBER.

Within view of the magnificent Front Range of the Rocky Mountains, the Kodak Colorado Division of Eastman Kodak Company is located about 50 miles north of Denver and just outside of Windsor, Colorado.

A part of the Kodak Park Division (the company's primary photographic manufacturing complex in Rochester, New York), the Colorado Division serves, among others, growing markets in the West. Some of the photographic film and paper manufactured at Kodak Park is shipped in an unfinished state to Windsor. Here, the final steps are performed and the products are packaged and readied for shipment, with the ultimate destination your dealer and you.

Kodak, one of the leading manufacturers of photographic goods, fibers, plastics, and chemicals, serves customers in virtually every free-world country.

The Greeley Mall is located between 17th and 23rd Avenues on U.S. Highway 34 Bypass, which traverses the city of Greeley to the south. The site is both convenient to the citizens of Greeley and to the heavily populated trade area outside the city limits.

L.C. Fulenwider, Inc., of which Greeley Mall developer Fulenwider Management and Development Company is a part, has been on the Colorado Real Estate scene for more than 60 years. The firm has developed shopping centers, motels, home subdivisions, apartment complexes and restaurants throughout Colorado.

In addition to the anchor stores, Joslins and Montgomery Ward, the covered mall houses some three dozen boutiques and specialty shops. Safeway, along with several other businesses, occupies additional space to the north of the main mall.

GENERAL INFORMATION

The Assessor's Office has nothing to do with the making of the several levies but has jurisdiction relative to the valuation of real and personal property of the county, except railroads, telegraph companies and other public utility corporations. The taxes are extended by the computer center at the Greeley National Bank and delivered to the County Treasurer for collection.

County Tax is levied by County Commissioners.
School Tax is levied by School Boards.
City and Town Tax is levied by City and Town Officials.
Special District Tax is levied by their Directors.

Personal property tax becomes delinquent May 1, 1975 and if not paid by August 1, will be advertised in September. Real property will be advertised for sale for deliquent taxes on or about October 1, 1975 and sold December 1, 1975.

Taxes for 1974 are due January 1, 1975. Taxes may be paid in two equal payments. To avoid penalties the first half must be paid prior to March 1, and the second half prior to August 1. From March 1 to August 1 the first half bears interest at the rate of ½ per cent per month or fraction thereof. The total amount of taxes due may be paid on or before April 30 without penalty or interest.

All unpaid real property taxes become delinquent August 1, and bears interest at the rate of 2/3 per cent per month or fraction thereof until date of tax sale.

In correspondence with either this office or the Treasurer's office please refer to your SCHEDULE NUMBER AND TAX DISTRICT NUMBER.

GREELEY NATIONAL BANK HISTORY

Colorado was just starting to boom, and banking was a big business in Greeley in the late 1870's. In March of 1888, the Union Bank was founded at the northwest corner of 8th Avenue and 8th Street in Greeley.

1905 brought about expansion with the Union Bank acquiring national status, changing their name to the Union National Bank. In 1914, the Union National Bank merged with the City National Bank. By 1918, the Union National Bank had over $1 million in deposits.

Dramatic growth helped initiate the merging of the Union National Bank and the Greeley National Bank in March, 1922. They formed the Greeley Union National Bank. T. C. Phillips became the new president with deposits of over $2 million.

1934 was the year for bank reorganization and a new name, the Greeley National Bank. Sixteen years later, the Greeley National Bank underwent major remodeling at the 8th Avenue and 8th Street corner location.

Now in their brand new headquarters at 8th Street and 9th Avenue, Greeley National Bank is the largest bank in Weld County, with assets of over $88 million. They are a member of Affiliates Bankshares of Colorado, Inc.

GENERAL INFORMATION

The Assessor's Office has nothing to do with the making of the several levies but has jurisdiction relative to the valuation of real and personal property of the county, except railroads, telegraph companies and other public utility corporations. The taxes are extended by the computer center at the Greeley National Bank and delivered to the County Treasurer for collection.

County Tax is levied by County Commissioners.
School Tax is levied by School Boards.
City and Town Tax is levied by City and Town Officials.
Special District Tax is levied by their Directors.

Personal property tax becomes delinquent May 1, 1976 and if not paid by August 1, will be advertised in September. Real property will be advertised for sale for delinquent taxes on or about October 1, 1976 and sold November 15, 1976.

Taxes for 1975 are due January 1, 1976. Taxes may be paid in two equal payments. To avoid penalties the first half must be paid prior to March 1, and the second half prior to August 1. From March 1 to August 1 the first half bears interest at the rate of ⅓ per cent per month or fraction thereof. The total amount of taxes due may be paid on or before April 30 without penalty or interest.

All unpaid real property taxes become delinquent August 1, and bears interest at the rate of 2/3 per cent per month or fraction thereof until date of tax sale.

In correspondence with either this office or the Treasurer's Office please refer to your SCHEDULE NUMBER AND TAX DISTRICT NUMBER.

GENERAL INFORMATION

The Assessor's Office has nothing to do with the making of the several levies but has jurisdiction relative to the valuation of real and personal property of the county, except railroads, telegraph companies and other public utility corporations. The taxes are extended by the computer center at the Greeley National Bank and delivered to the County Treasurer for collection.

County Tax is levied by County Commissioners.
School Tax is levied by School Boards.
City and Town Tax is levied by City and Town Officials.
Special District Tax is levied by their Directors.

Personal property tax becomes delinquent May 1, 1977 and if not paid by August 1, will be advertised in September. Real property will be advertised for sale for delinquent taxes on or about October 1, 1977 and sold November 15, 1977.

Taxes for 1976 are due January 1, 1977. Taxes may be paid in two equal payments. To avoid penalties the first half must be paid prior to March 1, and the second half prior to August 1. From March 1 to August 1 the first half bears interest at the rate of ½ per cent per month or fraction thereof. The total amount of taxes due may be paid on or before April 30 without penalty or interest.

All unpaid real property taxes become delinquent August 1, and bears interest at the rate of ⅔ per cent per month or fraction thereof until date of tax sale.

GENERAL INFORMATION

The Assessor's Office has nothing to do with the making of the several levies but has jurisdiction relative to the valuation of real and personal property of the county, except railroads, telegraph companies and other public utility corporations. The taxes are extended by the computer center in the Weld County Centennial Building and delivered to the County Treasurer for collection.

County Tax is levied by County Commissioners.
School Tax is levied by School Boards.
City and Town Tax is levied by City and Town Officials.
Special District Tax is levied by their Directors.

Personal property tax becomes delinquent May 1, 1978 and if not paid by August 1, will be advertised in September. Real property will be advertised for sale for delinquent taxes on or about October 1, 1978 and sold November 14, 1978.

Taxes for 1977 are due January 1, 1978. Taxes may be paid in two equal payments. To avoid penalties the first half must be paid prior to March 1, and the second half prior to August 1. From March 1 to August 1 the first half bears interest at the rate of ½ per cent per month or fraction thereof. The total amount of taxes due may be paid on or before April 30 without penalty or interest.

All unpaid real property taxes become delinquent August 1, and bears interest at the rate of 2/3 per cent per month or fraction thereof until date of tax sale.

In correspondence with either this office or the Treasurer's Office please refer to your SCHEDULE NUMBER AND TAX DISTRICT NUMBER.

GENERAL INFORMATION

The Assessor's Office has nothing to do with the making of the several levies but has jurisdiction relative to the valuation of real and personal property of the county, except railroads, telegraph companies and other public utility corporations. The taxes are extended by the computer center in the Weld County Centennial Building and delivered to the County Treasurer for collection.

County Tax is levied by County Commissioners.
School Tax is levied by School Boards.
City and Town Tax is levied by City and Town Officials.
Special District Tax is levied by their Directors.

Personal property tax becomes delinquent May 1, 1979 and if not paid by August 1, will be advertised in September. Real property will be advertised for sale for delinquent taxes on or about October 1, 1979 and sold November 13, 1979.

Taxes for 1978 are due January 1, 1979. Taxes may be paid in two equal payments. To avoid penalties the first half must be paid prior to March 1, and the second half prior to August 1. From March 1 to August 1 the first half bears interest at the rate of ½ per cent per month or fraction thereof. The total amount of taxes due may be paid on or before April 30 without penalty or interest.

All unpaid real property taxes become delinquent August 1, and bears interest at the rate of 2/3 per cent per month or fraction thereof until date of tax sale.

In correspondence with either this office or the Treasurer's Office please refer to your SCHEDULE NUMBER AND TAX DISTRICT NUMBER.

GENERAL INFORMATION

The Assessor's Office has nothing to do with the making of the several levies but has jurisdiction relative to the valuation of real and personal property of the county, except railroads, telegraph companies and other public utility corporations. The taxes are extended by the computer center in the Weld County Centennial Building and delivered to the County Treasurer for collection.

County Tax is levied by County Commissioners.
School Tax is levied by School Boards.
City and Town Tax is levied by City and Town Officials.
Special District Tax is levied by their Directors.

Personal property tax becomes delinquent May 1, 1980 and if not paid by August 1, will be advertised in September. Real property will be advertised for sale for delinquent taxes on or about October 1, 1980 and sold November 13, 1980.

Taxes for 1979 are due January 1, 1980. Taxes may be paid in two equal payments. To avoid penalties the first half must be paid prior to March 1, and the second half prior to August 1. From March 1 to August 1 the first half bears interest at the rate of ½ per cent per month or fraction thereof. The total amount of taxes due may be paid on or before April 30 without penalty or interest.

All unpaid real property taxes become delinquent August 1, and bears interest at the rate of 2/3 per cent per month or fraction thereof until date of tax sale.

In correspondence with either this office or the Treasurer's Office please refer to your SCHEDULE NUMBER AND TAX DISTRICT NUMBER.

Cottonwood Square

Cottonwood Square is one of the most unique developments of Northern Colorado. It is a combination of residential condominiums, retail shops and commercial space within a single area. Because of design, each of the seperate entities compliments the other. Cottonwood Square is an excellent example of the best in planned development, architecture and land usage.
