25.	Outside Consultant for Professional Review. Necessity for Review to Be Determined by the Director. <sup>4</sup>	Professional rate
26.	For those applications for uses identified to be of high complexity or intensity where a determination is made that County staff will be committing time and resources. The applicant shall deposit an estimated amount of the costs prior to assistance. The fee will be held and charged against by the County based on the standard hourly rate for each department administering or reviewing the permit. The departments shall include, but not be limited to, the Department of Planning Services, Health Department, Public Works and the County Attorney's Office. The standard hourly rate shall be established by the Finance Department for the actual time spent on the review of the application. The rate shall be calculated on a full cost recovery basis of the County's cost and shall include salary, fringe benefits, support costs (services and supplies) and indirect costs calculated in accordance with the County-wide cost allocation plan per Federal OMB-87 methodologies. The applicant shall be provided copies of the billing 5 days prior to the cost actually being billed. The applicant's sole remedy to appeal any billing shall be to the Board of County Commissioners. The unused portion of the submitted application fee shall be returned to the applicant within 30 days of recording the Special Review plan map, within 30 days after denial of the application by the Board of County Commissioners, or 30 days after the applicant submits a written request to withdraw the application.	

<sup>1</sup> See Section 23-2-930 of this code.

<sup>2</sup> Public schools, as defined in Chapter 23, are exempt from Site Plan Review fees.

<sup>3</sup> See Section 23-2-920 of this code.

<sup>4</sup> See Section 23-2-910.B of this code.
