TRANSPORTATION PLANNING REGION**  
P.O. BOX 758, GREELEY, COLORADO 80632

December 7, 2016

Dear Mayor:

At the regular meeting of the Upper Front Range (UFR) Regional Planning Commission (RPC) on December 1, 2016, the Colorado Department of Transportation (CDOT) asked the UFR to send a letter to those municipalities in the UFR that are not party to the attached intergovernmental agreement (IGA) first signed in 1993. Signing the IGA is not required in order to be a member of the UFR. The bylaws will be modified to reflect the agencies which are party to the IGA. Therefore, the UFR RPC is contacting you to see if your municipality would like to be party to the IGA by signing an addendum, similar to what has been done in the past by other agencies.

Please present this matter to your Town Board or City Council for consideration. If approved, please sign the attached Addendum to the IGA and mail it to us at PO Box 758, Greeley, CO 80632 by March 1, 2017, which is the day before the next UFR meeting.

If you have any questions regarding this matter, please contact me at 970-336-7204 or [bkirkmeyer@weldgov.com](mailto:bkirkmeyer@weldgov.com).

Thank you in advance for your attention to this important matter.

Sincerely,

A handwritten signature in blue ink that reads "Barbara Kirkmeyer". The signature is fluid and cursive.
