Notice

The Applicant, his agents and employees shall comply with all the rules, restrictions and requirements of Weld County Zoning Regulations and Weld County Building Codes governing the location, construction and erection of the above proposed work for which the permit is granted. The Building Official, or his agents, are authorized to order the immediate cessation of construction at any time a violation of the codes or regulations appears to have occurred. Violation of any of the applicable codes or regulations may result in the revocation of this permit.

Buildings must conform with plans, as submitted to the Department of Building Inspection. Any change of plans or layout must be approved prior to the changes being made. Any change in the use or occupancy of a building or structure must be approved prior to proceeding with construction.

The applicant is required to call for inspections at various stages of the construction, and in accordance with the aforesaid rule, the applicant shall give the Building Inspector not less than one day's notice to perform such activities.

The applicant must comply with current Building Inspection Division Expiration Policy. Weld County is not liable for workmanship. Permits are not transferrable.
