PERMANENT CLOSURE –

I-25 East Frontage Road access to CR 34 01/05/2026

This closure is part of CDOT's continued coordination with the Town of Mead and Weld County, who are building a 2-mile portion of High Plains Boulevard between Weld County Road 32 and Weld County Road 36. Once opened, (projected summer 2026), traffic that previously used the frontage road will use High Plains Boulevard, and the frontage road use will transition to private property and utility access only.
